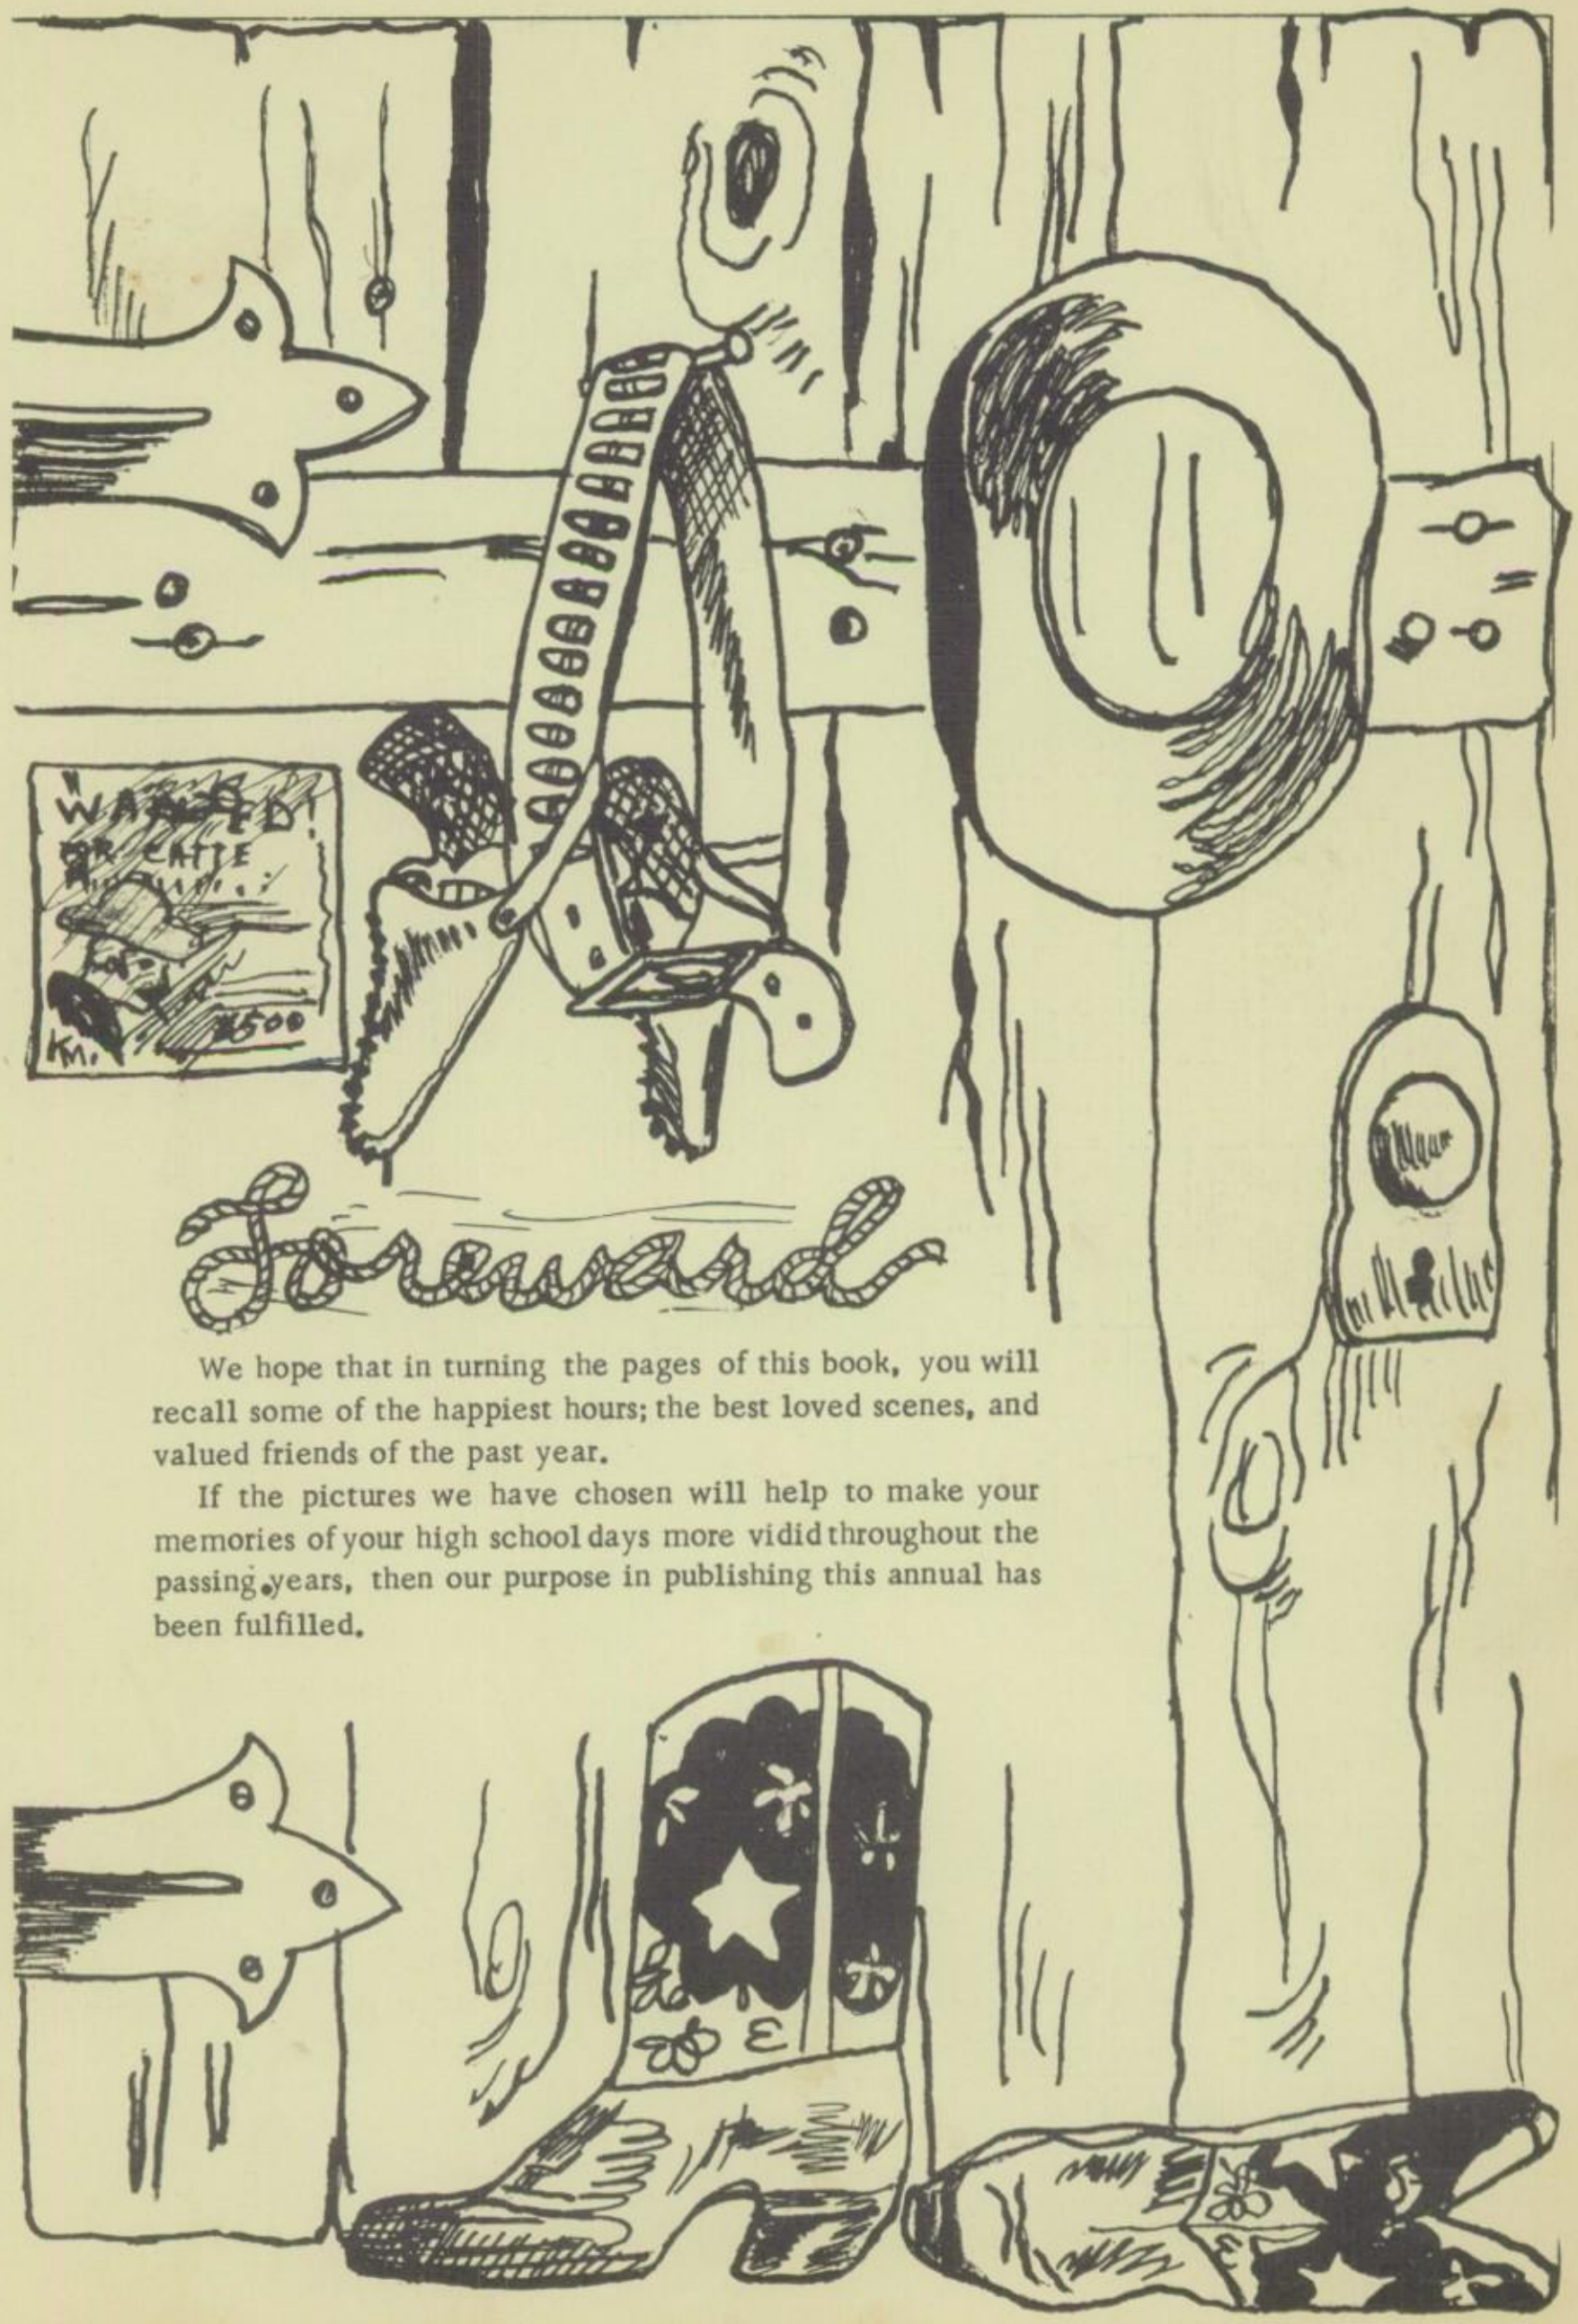
Dedication

Because you deny yourself so that we may have that which you did not have;
Because you desire for us the higher and finer things of life;
Because you understand when all our world goes wrong;
Because you love us in spite of our shortcomings;
And, because we want to express our love and appreciation, we, the SENIORS of Cotulla High School, dedicate this edition of our annual to you - - - OUR PARENTS.



We hope that in turning the pages of this book, you will recall some of the happiest hours; the best loved scenes, and valued friends of the past year.

If the pictures we have chosen will help to make your memories of your high school days more vidid throughout the passing years, then our purpose in publishing this annual has been fulfilled.

Superintendent's Message

To the Annual Staff and Senior Class:

I wish to heartily congratulate you, the members of the annual staff and senior class, for the fine job you have done in putting together this record of events of your school life for school year '52-53.

You have completed a season of work, play, and study and are looking forward to opportunities for further achievement and more worthy self expression. The hard things of life will not pass you by, and the hand of friendship and love may not always be near to cheer and sustain you; but just when the winds of adversity and sorrow are keenest, we, who have faith in you, know that you will be strongest to resist, and most courageous to meet and conquer the temptation to weakness and despair.

I wish for each of you a most happy and productive future. As you turn the pages of this book in future years and remember your high school faculty, I trust that you can say that we, at CHS, were responsible for your life being a little happier and more worthwhile.

Congratulation on the publication of the 1953 Round-Up.

Sincerely,

C. R. Landrum
